## Whats happening this year?

Accepter!

On 21 of May 2026, we warmly invite you to the Kulturpicknick, where we would like to introduce Acceptance and connect with you.

Our goal is to build partnerships across the cities of the Sechsstädtebund and strengthen the local youth dance scene.

**Between** January and February, **networking meetings** will introduce the project.

From **February** to **March**, young people can take part in workshops in six cities, followed by **course days** from **April to July**.

The project concludes with an Intensive **Summer-Special** (10–18 July 2026) in Großhennersdorf and a final performance.

**We look forward** to connecting, exchanging ideas, and shaping Acceptance together.
